Re: Personal & Confidential
Whitney Joseph Primeaux

Dear Mr. Ernst:

In our original letter dated March 24 concerning Mr. Primeaux, a copy of the police report relating to him was enclosed.

The police report gave all details relating to color of hair, eyes and other identifying marks of Mr. Primeaux. As this police report was the only copy that we had I would appreciate it if you would refer to the police report to complete the information that you will need for your confidential record sheet. I am sure that there is more than ample information included on the police report for your records.

We have no other specific offenses or reports of offenses other than several questions that parents had raised with us in the unit in which he had been working. It was these questions that led us to the police department and the police record on file for the 1967 offense.

If you have any other need for information other than what you would find on the police report, please let know.

Sincerely,

Quentin M. Alexander

Personal and Confidential
Re: Whitney Joseph Primeaux

Dear Mr. Hunt:

We received a letter dated March 24th concerning the above Scouter, from Quentin M. Alexander, your Director of Field Service. We have placed this information in our file and have taken steps to have his name deleted from our records. This is exactly the type of material we require for our Confidential File and we appreciate your efforts in getting it for us.

We notice this offense took place in 1967. Is there anymore recent evidence to indicate that this man had again had this type of problem? If so we would like this information also.

Enclosed is a confidential record sheet which we will appreciate your filling out and returning to us as soon as possible, together with the above requested information. This information will enable us to identify Mr. Primeaux should he ever again attempt to register in the Scouting program.

Sincerely,

Paul Ernst, Supervisor
